### French Pact With Poland Announced

Alleged Negotiations looking to the construction of a fleet Details Withheld, but Believed to Provide for United Action Against Germans and Bolsheviki

> PARIS, Feb. 5 .- After several con sultations between General Pilsudski, head of the Polish state, and Premier Briand, two of these conferences tak

sed vessels because Great Britain, the Allied powers-Great Britain, Italy and Japan-and read them the new Franco-Polish declaration. It says:
"The two governments of France and Poland, being equally anxious to safe Europe, have recognized once more the common interests which unite these two friendly countries. They agree to maintain contact for the defense o

Nature of Pact Kept Secre Exactly what the secret understanding is which this declaration covers

icy. Poland will support France forcing Germany to pay her repa tions account, and will foll tions, account, and will follow French guidance in her policy toward Russia. France will, as far as is con-venient and advisable, support Poland

agreement between the two countries. The fact that the Polish mark is worth only about one-tenth as much as the German mark greatly handicaps the experts who are working out the trade questions and comes up strongly in the consideration of possible French loans to Poland. Nevertheless, France, which already has oil interests in Galicia estimated to be worth 1,000,000,000 francs, is interested in any Polish project for an extension of French interests there. Poland refused a twenty-five-year mandate over Galicia and then proclaimed its annexation.

Vilna Settlement Advised

The French government has advised by Poland to settle the Vilna question, and has obtained from Pilsudski a promise which, although unlikely to appeal to the Lithuanians, shows inci-

Letter Refers to Refund Plan

The letter of Secretary Houston to Senator Lodge, which Senators said was important, does not refer to the alleged proposals for cancellation of the foreign debt, although it served to provoke mention of that subject.

Secretary Houston in his letter said Liberty bond acts "contemplated" exchange of the foreign demand obligations for long time promises to pay, and that negotiations had proceeded as told in his last annual report. In August, 1920, he said, an arrangement was made with the British "in respect of \$122,—
